WARRANTY

GerMedUSA warrants that all surgical instruments bearing the GerMedUSA mark, whether stamped, engraved, or laser-etched, are manufactured to the highest standards of quality and craftsmanship.

Under this warranty, GerMedUSA will repair or replace any product that is found to be defective in materials or artistry, at the company's discretion. If repair is not feasible, a replacement will be provided at no additional cost, provided the issue falls within the applicable warranty period and usage guidelines.

- **Stainless Steel instruments > 5 years**

Repair Warranty

We believe in worry-free ownership. If any of our instruments malfunctions or fails during the valid warranty period, we will repair or replace it. No extra charges will apply if the claim is made within **30 days of issue detection.**

Exclusions & Limitations

This limited warranty is the sole warranty provided by GerMedUSA. No other express or implied warranties, verbal, written, or statutory, are offered. GerMedUSA expressly disclaims any implied warranties of merchantability or fitness for a particular purpose.

GerMedUSA shall not be liable for any indirect, incidental, or consequential damages, even if the possibility of such damages was known or foreseeable.
