Dr. James Anthony has been involved in veterinary medicine for over 30 years. He is a graduate of the Western College of Veterinary Medicine, University of Saskatchewan and received his DVM degree in 1983. Dr. Anthony has been involved in clinical practice for 30 years at a number of veterinary practices; Cambie Animal Clinic (Vancouver), All Care Animal Referral (Los Angeles), as well as referral practices in Victoria, Toronto, Kelowna, Montreal and Quebec City. Dr. Anthony became focused on veterinary dentistry in 1984. In 1986 he became a Fellow of the Academy of Veterinary Dentistry and in 1989 he became a Diplomate of the AVDC.

Dr. Anthony has had an extensive academic career as well, having taught veterinary dentistry at the University of Guelph, the University of Montreal and the University of Prince Edward Island. He was also a Tenured Professor at the University of Saskatchewan (Western College of Veterinary Medicine) as the Head of Veterinary Oral Surgery and Dentistry.

Dr. Anthony has authored over 40 articles and book chapters, and throughout his career has lectured globally at veterinary meetings. Dr. Anthony is one of the most respected veterinary dental specialists in the world. He has also been a veterinary dental consultant for many zoos and aquariums throughout North America and Asia, and has mentored numerous individuals to become Diplomates in the AVDC.

*Dr. Anthony practicing at WCVM*

Dr. Anthony currently practices advanced dental procedures at Central Animal Hospital in Saskatoon, Saskatchewan and at Red Bank Veterinary Hospital in Tinton Falls, New Jersey.

On a side note, he is starting a vineyard at his farm in Princeton, British Columbia.
